My child is under your age requirement. Can I still sign them up?

We understand that every child is different, and may be "mature" for their age. However, our camps are geared to the ages that are specified. (So they will not be able to make some or most the project without more staff assistance.) Please respect our age requirements.

There will be a fee for any child under the age requirement for extra staffing. \$15 per day.

Is there a snack?

A small snack will be passed out along with water at snack time. Graham crackers, goldfish, or pretzels are the normal snack. **PLEASE** let us know if your child has any allergies to food so we can make accommodations. Children should **pack a lunch** and also bring a bottle of water, or a drink. Full day and theme camps will have a pizza party on the last day.

Pottery Camp items will be returned 2 weeks from camp date. We will call when items are ready for pick up. Tie dye & Canvas painting items will be returned the day of the camper.*

***NOTE:** Due to our extremely limited storage, all work must be picked up within 4 weeks of the end of the camp that your child attends. We will call when your camp items are ready for pick up. Thank You!

As space is extremely limited, a camp can only be held with a deposit on a first-come, first-served basis. When a deposit is received for a camp, your space will be confirmed in that camp (as long as space is available.) If space is not available, an alternate camp will be offered, or your deposit will be returned. If there is space available, drop-ins are more than welcome.
