

HOW TO BOOK

Booking is easy! Once you know your desired month, and what your price point is, just call us--we will take it from there! You must have your PTO or principal's approval for enrollment in our programs. A parent volunteer is needed for student sign in, sign out, and student pick up. We would always love a parent to be around for extra help, but it is not required. Katie's Clay Studio is able to facilitate the minimum amount of students with one staff member. If additional staffing is needed, there will be a charge of \$15 extra per class. To avoid this fee, parent volunteers are welcome to be our helpers. When booking, there is a non-refundable deposit of \$50.00. This will guarantee the dates and times booked. An Afterschool Program Contract will then be drafted. The travel/instructor fees, and the final material fees are due on the first day of class.

To book, please call us at 412-486-2184

We can also provide fun and educational field trips to your school or at our store. Fundraisers are available.

About Us

Since 2004, Katie's Clay Studio has specialized in mobile pottery programs. We strive to be the best in after school enrichment programs. The students we work with take our programs year after year--they love it! In turn, we love giving individualized creative help to each student to insure their projects are a success!

Our Instructors: All of our staff members have their PA clearances. We are happy to provide these at booking. Staff is well versed in the arts, and art education, as well as in providing children with a fun and creative atmosphere.

Fall 2014 special:

Book a program now for September or October 2014 and get \$5.00 off per student. (Based on availability)

Art Enrichment Program,
Specializing in
Grades K to 7th!

HOW IT WORKS

We have a curriculum for most budgets. Many of our programs take place over several weeks. We offer programs as short as four weeks to as involved as eight weeks, with our instructors teaching a different project each week. The children will be guided on a predetermined project, and are responsible for sculpting and painting the finished pieces. The last class features a "Make-and-Take" project, and the projects will be returned that day.

Required Participation: We require a minimum number of students--packages will vary depending on price of materials and projects chosen. However, we don't have a maximum--we'll build a program specific to your students! If program attendance exceeds the required minimum, Katie's Clay Studio charges \$15 extra per class to cover extra staffing. Age requirements are also listed below each program. Higher grade level curriculum catered to adolescent personal and academic development is also available.

Insurance: We have Liability Insurance. We can list your school on our insurance, if needed. There will be a one time charge of \$10 to do this. Please let us know at the time of booking.

Travel fee/ Instructor Fee: This fee is our charge for traveling to you and providing one instructor. Our fee is \$45 per class. Additional instructors can be provided for an up charge of \$15 per class. To avoid this extra cost, you can provide us with student or parent volunteers. If the school does not have the funds for this fee in the budget, we understand. This cost is then added to the material cost per student, starting at \$10 extra each child.

Returning students work: Clay items will need fired and glazed. We must do this at our store location. All of the projects are given back during the last week of class. The last class is a "Make-and-Take" project.

Payment: We ask that all checks be written to the school, and that the school then cut us a check. If this is not done, we are required to charge PA sales tax of 7% on each material cost. The school will need to provide their tax exempt information, and then an invoice will be given. School money orders or credit cards are also accepted. Any returned checks will have a \$40 "returned check fee" added to the remaining balance.

Choose Your Program!

With a variety of multiple-week programs and projects to choose from, it can be overwhelming to choose the perfect curriculum for your students. All of our programs offer project and item flexibility. We'll work side by side with you to build a curriculum suited to your students and their developmental level. Choose from hundreds of awesome hand building projects and make and take ideas.

"Clay Creations" 4 week long Program:

- *Grades 2nd to 5th*
- Starting at \$50 per student. \$12.50 per class. Depending on the projects you choose, this price may increase.
- Minimum of 12 students
- 2 Clay sculpting projects, one paint your own pottery project, and one "make-and-take" item.

"Clay Creations" 5 week program:

- *Grades 2nd to 5th*
- Starting at \$65 per student. \$13 per class. Depending on the projects you choose, this price may increase.
- Minimum of 10 students
- 3 Clay sculpting projects, one paint your own pottery project, and one "make-and-take" item.

"Clay Creations" 6 week program:

- *Grades 2nd to 5th*
- Starting at \$75 per student. \$12.50 per class. Depending on the projects you choose, this price may increase.
- Minimum of 10 students
- 4 Clay sculpting projects, one paint your own pottery project, and one "make-and-take" item.

"Clay Play" 4 week program:

- *Grades 1st to 3rd*
- Starting at \$55 per student. \$13.75 per class. Depending on the projects you choose, this price may increase.
- Minimum of 10 students, MAXIMUM of 12
- 2 Clay sculpting projects, one paint your own pottery project, and one "make-and-take" item.

When booking your program, we build your curriculum with you--it's designed to meet your students where they are developmentally and lift them to success. All the prices listed above are starting rates and are subject to change based on your chosen projects.

Projects

Projects are designed with your students' age level, development, and motor skills in mind. Each project is thoughtfully created with an emphasis on teachability and student success. We are pros at constructing the perfect project itinerary for your program! Look below for some ideas for your own after school art enrichment program:
