

WHY CHOOSE OUR CAMP?

Katie's Clay Studio staff is well versed in multi-media arts. All staff members have federal and PA state clearances. Your children will be in a fun, creative, and safe environment where they can use their imagination, gain skills, develop creative problem solving. Small camp size allows us to give one-on-one attention to all our campers, so we can make sure your child excels in our programs.

Can't Make it to camp but still want to create? Our studio is open to the public. Walk-ins are welcome, and all ages are invited to create in our main studio during camps! Reservations are suggested for some activities. Please call to book today! 724-502-4700

- **AGES ARE SPECIFIED PER CAMP:**

We understand that every child is different, and may be mature for their age. However, our camps are geared to the ages specified. Lesson plans and projects are designed appropriately, and in many cases will be too difficult for younger children to succeed independently. Please respect our age requirements.

- **HOW TO SIGN UP:**

*Fill out our registration form (found on our website) and drop off or mail in! There is a **minimum of 4 students** per camp in order to run. Please fill out emergency contact form and photo release form (found on our website), and send in a check for a retainer of \$100.00 made out to Katie's Clay Studio, LLC.*

Camp may run overtime some days due to weather/clay drying time. We can let you know if end time needs to change throughout the week.
